

A special welcome to visitors to West, a place of shelter, faith and laughter. We are an all-age, all-stage community where everyone is included.

We especially love having kids involved in the whole service on Sundays, in all their wriggling, noisy glory, so please don't worry if you or anyone with you makes a bit of a racket - we're glad to have you with us!

Morning tea is part of our time together, so you're warmly invited to stick around for a cuppa and a chat after the sitting-down part of the service.

Our regular newsletter will be back in February, but in the meantime, here are the few bits and pieces that'll get you through the summer!

west:communication

I'm not putting my faith in 'technology' to save humanity from the effects of climate change, but I do reckon it can do wonders, if used thoughtfully, to enhance community life.

Those of you who spend a bit of time online might be interested in checking out our church website (www.westbaptist.org.nz), and folks on facebook can now join our West group. Both avenues of communication are already making connections between us stronger, so check them out and see if they might make your community life better.
